1、Business Neon Cases

Customization Highlights: Accurate Pantone® Color Matching & UV Aging Resistance Treatment

Bring your business to life with our commercial-grade LED neon lighting — designed to attract attention, enhance brand visibility, and elevate the atmosphere of your retail space. Whether you're running a beauty salon, boutique, café, gym, or lifestyle store, our neon signs are fully customizable to match your brand tone and visual identity.

Each sign is handcrafted using energy-efficient LED flex, offering vibrant colors, long lifespan, and safe, low-voltage performance. From your logo and slogans to abstract shapes and promotional messages, we support a wide range of custom design options.

These signs not only illuminate your space but also help create memorable customer experiences — making them ideal for window displays, reception areas, event walls, or photo-friendly brand installations.

Let your business stand out — in color, in light, and in style.

Above are cases show, contact us to customize yours.

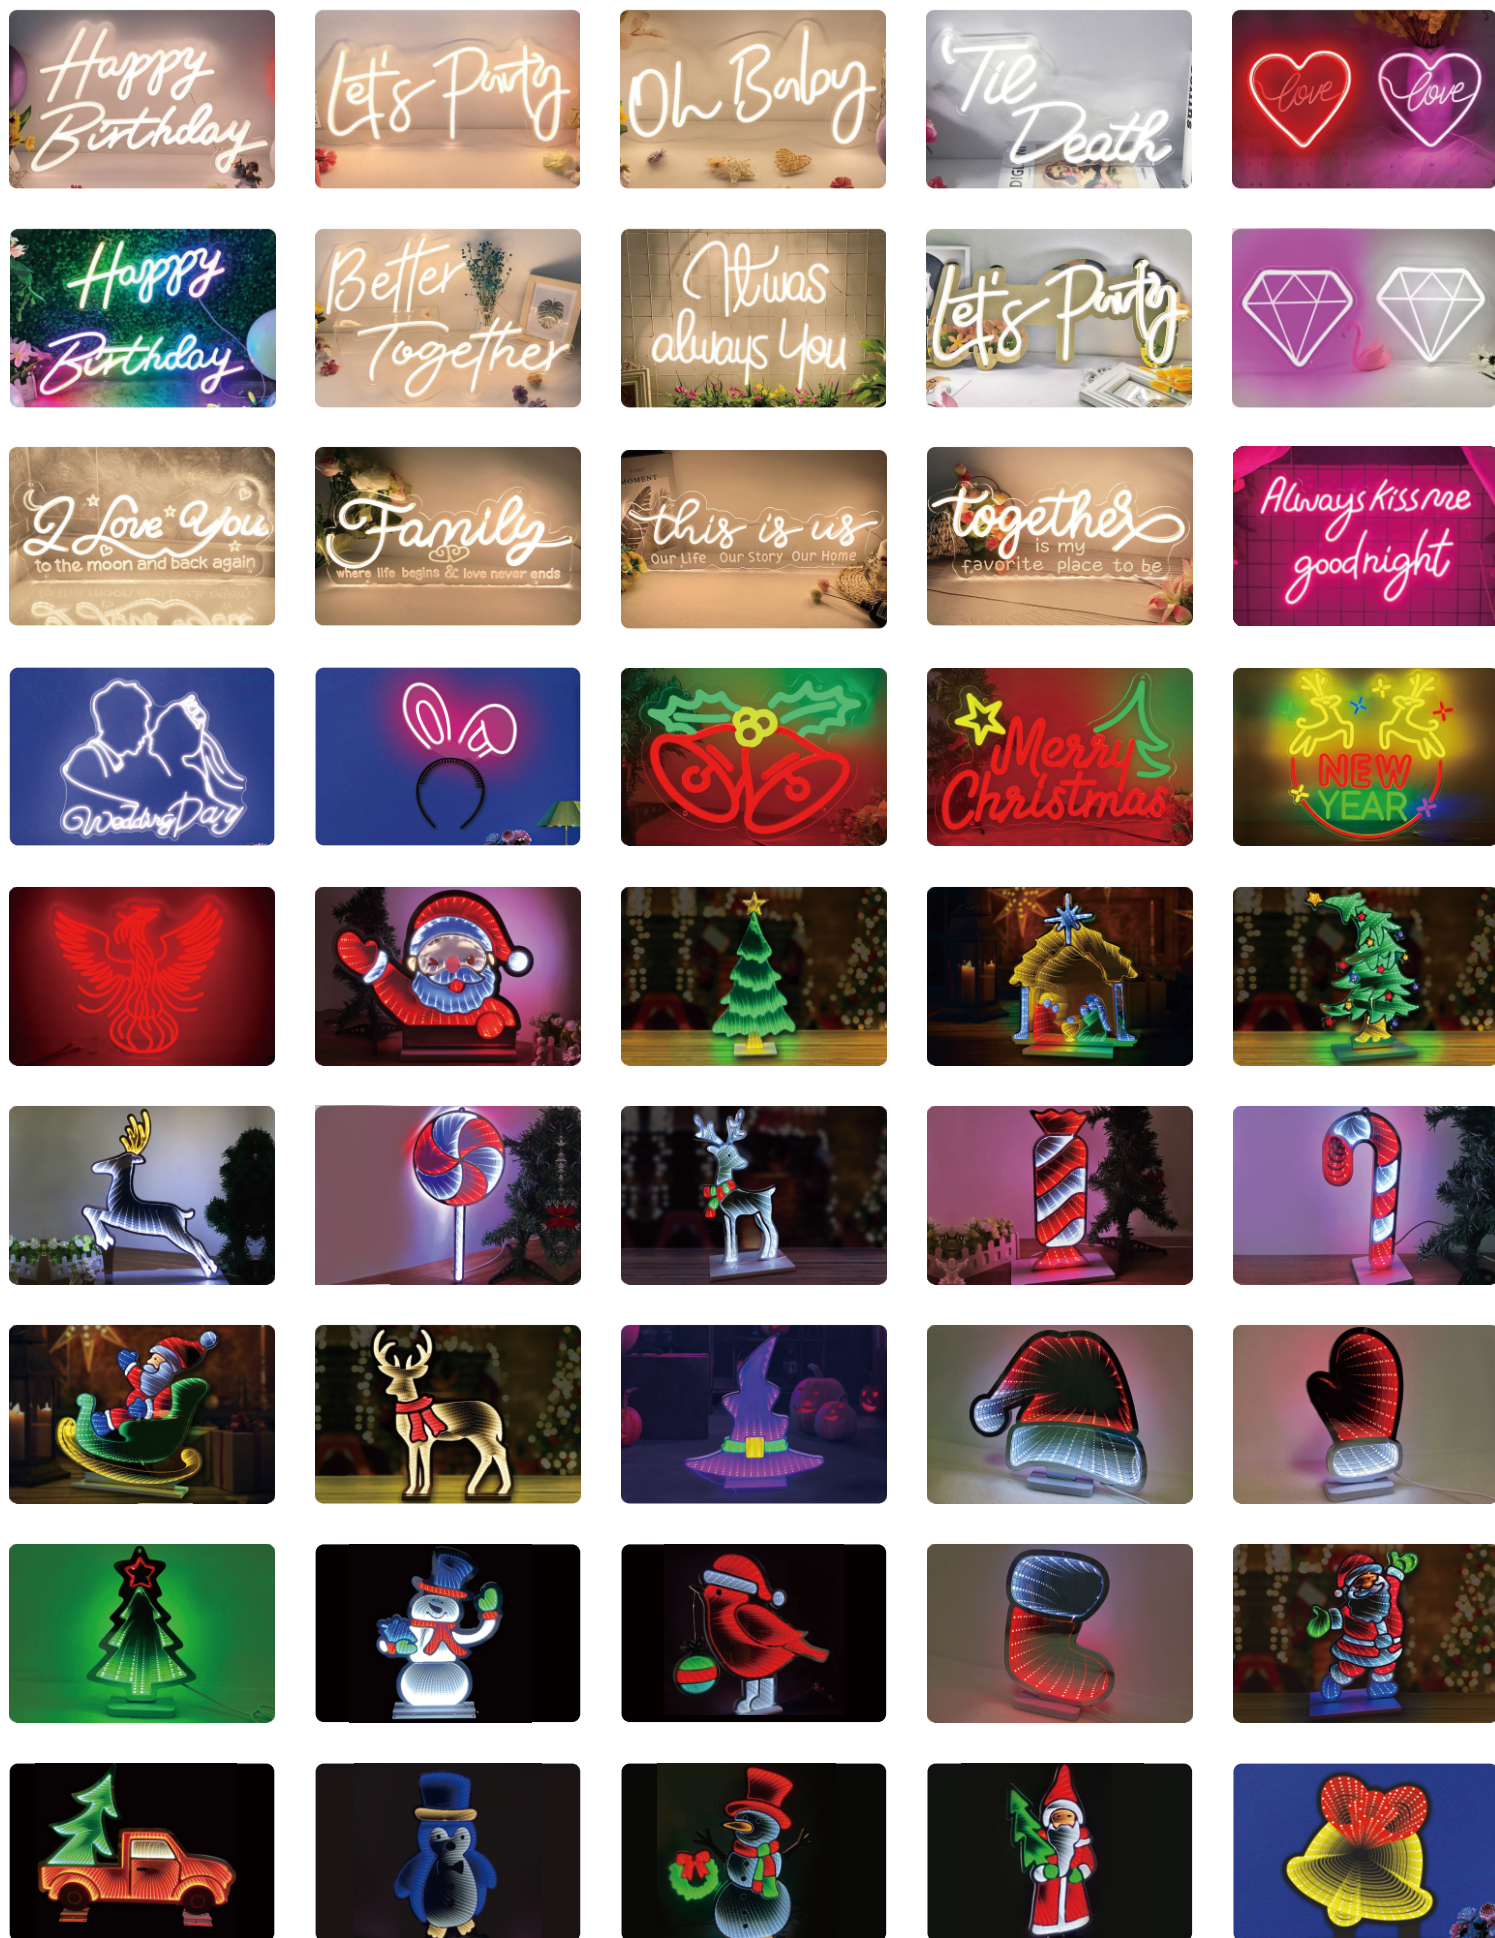

2、Event Neon Lights

Add brilliance to your events with our custom LED neon lights — the perfect blend of visual impact and contemporary design. Whether it's a wedding, birthday, product launch, or corporate party, these vibrant signs bring energy, emotion, and unforgettable ambiance to every space.

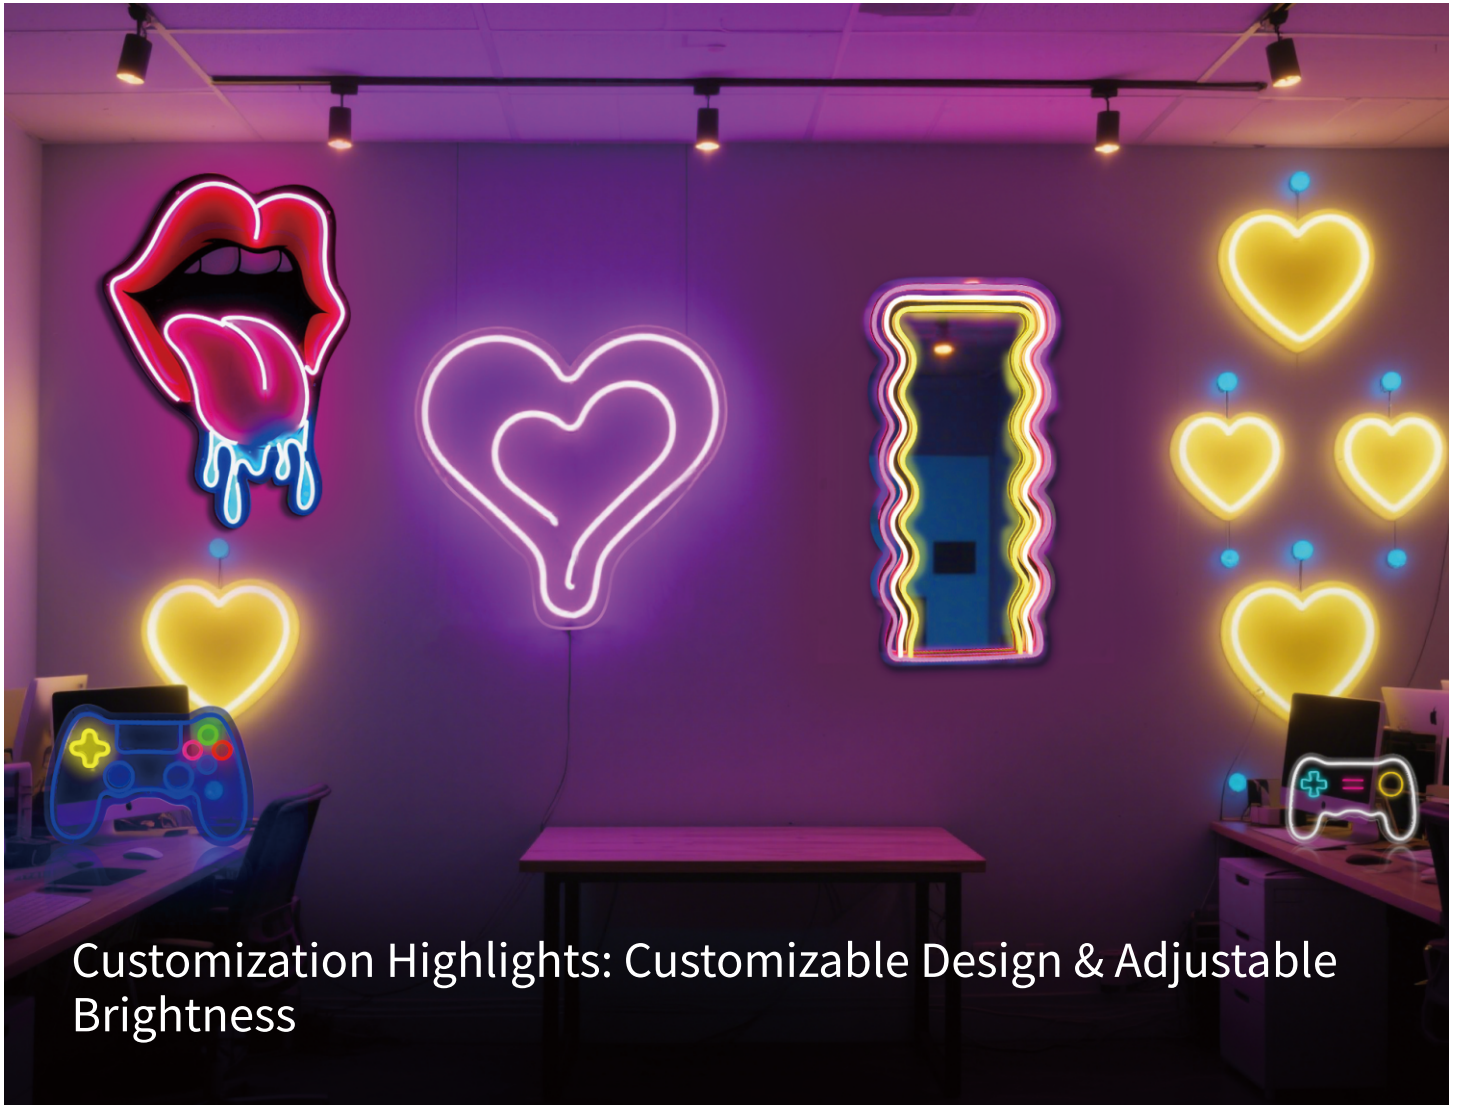

Crafted with flexible LED neon tubing, our lights are safe, durable, and customizable in text, color, shape, and size. They're easy to install and perfect for photo backdrops, welcome signs, dessert tables, or stage decor.

Available in plug-in or battery-powered options, each sign is lightweight, low-voltage, and built for repeated event use. Let your message shine and make every celebration Instagram-worthy.
